Tilda®BASICS

This year's Tilda Basics Catalogue comes with an array of new products that we are very excited to share.

First off, we have fallen in love with solid fabrics. Choosing the colors, designing the quilts and seeing how wonderful they turn out in the hands of all the talented people we work with has been delightful and refreshing. I may have underestimated the joy of solids before – I've rarely had so much fun with a collection. We hope you enjoy the new solid colors and quilts as much as we do.

In addition to Solids, we are also happy to present another exciting new collection, Chambray Dots. It has been a dream to make Chambray with dots – but an endeavor not without its challenges regarding manufacturing, which took quite a while to figure out. The solution was to print the dots on a woven Chambray. When we wanted a dark background color, the background is printed, leaving a dot effect. It has become a really cute collection for all Chambray lovers.

For those of you who enjoy doll making, we have made tiny buttons for doll clothes. You can find some of our patterns for Tilda Friends clothes on tildasworld.com > Free Patterns > Collections – scroll down to Cow, Fia Doll and Cat Kit. Or create your own! The buttons come in Dove White and Chambray in both cool and warm hues.

Hope you enjoy our news. We wish you all a wonderful and creative year!

SOLID PROJECTS

We have developed and released all the beautiful Tilda Solids projects seen in this catalogue under free patterns on [tildasworld.com](https://www.tildasworld.com). Despite our love for all of our quilts, the star of the show has to be the Embroidery Flower Quilt which takes its inspiration from old, embroidered pillows. If you are a beginner, the Colordance Quilt is very easy to sew. Download and print instructions written by Linda Clements and start enjoying the wonderful world of sewing with Solid fabrics!
