Cotton Beach

Cotton Beach felt like the perfect name for a coastal cotton fabric collection. Shells, coral reefs and sea anemones are some of the motifs that inspired the mixed style designs. Colors vary from purples to dark and light corals, sandy greys, light and green teals and blues, and yellows to represent sunshine.

In addition to the main collection, you will find five beach shell blenders in softer hues, and a fun, new design called "Me and My Friend" in two colors depicting female busts in all shapes and sizes. Use the fresh Cotton Beach fabrics to appliqué clothes and hats on the busts and use them for personalized projects such as pillows, bags, pin cushions, sewn placement cards, charming ornaments or even quilts.
