THE COLLECTOR'S HOME

A NOTE FROM LIBERTY

The latest QUILTING COLLECTION from LIBERTY FABRICS draws INSPIRATION from the ART of COLLECTING. Our DESIGNERS were INFORMED by the CABINETS of CURIOSITIES DISCOVERED within many of LONDON'S MUSEUMS, CELEBRATING the NATURAL and MANMADE TREASURES found within. RICHLY DECORATIVE elements of TEXTILES, PLASTERWORK and PRECIOUS OBJECTS DISCOVERED within HISTORIC COUNTRY HOUSES also provided a WEALTH of VISUAL INSPIRATION.

Traditionally SCREEN PRINTED onto SOFT LASENBY COTTON, THE COLLECTOR'S HOME is available in THREE DISTINCT COLOUR STORIES.

Whilst every effort is made to ensure colour consistency, please be aware that due to the nature of the product and the print process, slight variances may occur in colour definition between this document and the fabric
